## Selfishness About Suffolk Extension Should End NOW

Selfishness by its citizens, particularly its property owners, never made a city great.

And a small city like Sierra Madre, can built itself into a state of true greatness, the same as can a larger metropolis.

To build itself properly, with due respect for the rights of all of its citizens, requires a modicum of unselfishness by property owners.

**THE ELDER** Marshall Field led his Chicago business associates in their fight to take that city's lake front property from the railroads and to create the splendid present "wonderland" now the envy of all of our larger cities. The unselfishness of Field and his associate businessmen produced this.

Fiorello LaGuardia and Bob Moses, his commissioner of parks, decided New York needed a face-lifting, especially in its highways. Other New Yorkers joined them unselfishly and the result was the "Round Manhattan Roadway," giving the nation's top spot city "a new look."

Fisher and Collins pumped dirt into the swamp which became Miami Beach with its swanky hotels and marvelous shops — the playground of the East during the winter season.

Tom Johnson, wealthy, bachelor mayor, believed that Cleveland needed a lot of parks as breathtaking spots for its hundreds of thousands of citizens, and with the assistance of the Mahers, Hannas and others, this and Cleveland's admirable transportation system were made possible.

A gambler named Scott loved his native Detroit. Belle Isle, in the Detroit River, is muchly a monument to his unselfishness in promoting this beautiful isle for the use of Detroiters en masse. Appropos, Belle Isle contains a flowing fountain in the center of which there is a statue of Scott, probably the only one ever erected to a gambler in our country.

**THERE ARE** many more such instances in large and small cities scattered throughout the United States, instances where the unselfish devotion of men to their city has produced admirable and lasting results.

Sierra Madre needs—badly so—a new through street in its Downtown Business District.

As proposed these 20 years, but never fulfilled, this new thoroughfare, an extension of Suffolk St., would extend from S. Baldwin, past the new Post Office Building now being erected, past the back of the Rasmussen, Keating, Jacobs, Perlot, First Western Bank and Carl Hansen properties.

Bluntly, the "recalcitrance" and we use a kindly word, of property owners is holding up creation of this new sorely needed to absorb part of the heavy traffic on Sierra Madre Blvd., along which there now passes an average of 10,000 motor vehicles daily.

**CITY COUNCIL**, over the years, has used every possible peaceful means to obtain rights-of-way for the Suffolk St. extension.

Again bluntly, the selfish aspect of some of the property owners is holding it up.

It ought not to.

It should not do so any longer.

Sam Perlot, after considerable backing and pulling, has agreed to accept the city's terms for his property at the entrance from S. Baldwin.

Mr. Rasmussen has been agreeable to the project for some months — is eager to get along with it.

The bank is agreeable provided the street goes all the way through from S. Baldwin to S. Hermosa, rather than any "stub" or part-way street.

The rest of the property owners should get on the bandwagon **NOW** for City Council, tired of the constant bickering, justifiably so, has instituted condemnation proceedings.

**THE SIERRA MADRE NEWS** suggests that Sam Perlot, Carl Hansen, Frank Dolph of First Western Bank and City Atty. Charles R. Martin sit down, proceed quietly and earnestly — and **UNSELFISHLY** — to consider without further delay any man-made roadblocks.

The interests of this city demands that they do so.

This newspaper believes that it can be achieved **NOW**.

There is nothing like men getting together, appraising their problems properly and, in a **SPIRIT OF UNSELFISHNESS**, solving them.

# YOUNG VANDALS INFLICT SERIOUS DAMAGE AT SIERRA VISTA PARK

FROM LEFT Walter Muller with Betty Humble, pilot, and her co-pilot, Shirley Gilmore, who will fly the Gilmore's Cessna Sky Hawk in the 15th Annual Powder Puff Derby starting at Montgomery Field, San Diego, this Saturday. Muller, owner of the Westerner Hotel and Uplander Motel, is sponsoring the flying team on their cross-country flight.

## Take-off Is Saturday . . .

## Area Women Fliers In Powder Puff Derby

Mrs. Arnold (Betty) Humble of 20 Winnie Way, Arcadia, with her co-pilot, Mrs. Carl G. (Shirley) Gilmore of 1944 Highland Oaks, Santa Anita Highlands, and Mrs. Russell C. (Virginia) Graham, 260 Monte Vista Lane, Sierra Madre, and her co-pilot, Mrs. Virginia (Ginny) Hall of Sherman Oaks, will be among nearly 200 women who will compete in the All-Woman Transcontinental Air Race (Powder Puff Derby) when they start from Montgomery Field, San Diego, Saturday, July 8, for Atlantic City.

The Graham-Hall team drew first take-off position and the Humble-Gilmore duo drew second take-off position, an unusual bit of luck for two teams in the same area.

Mrs. Gilmore, Mrs. Graham and Mrs. Humble belong to the famous San Gabriel Chapter of the Ninety-Nines, an international organization of licensed women pilots. Mrs. Hall is a member of the San Fernando Chapter.

**MRS. HUMBLE** and Mrs. Gilmore will fly the Gilmore's Cessna Sky Hawk. Mrs. Graham and her co-pilot will fly a Piper Apache. Mrs. Humble and Mrs. Gil-

more flew to Los Angeles International Airport last Friday and spent the day with officials of the U.S. Weather Bureau discussing information and explanation relative to analyzing weather reports for cross-country flying.

Sunday they flew to Montgomery Field, San Diego, where their plane will be inspected and impounded until race time. This Saturday morning all pilots and their co-pilots will attend a breakfast and final briefing at the El Cortez Hotel.

**WALTER MULLER**, owner of the Westerner and Uplander Hotels, is sponsoring Mrs. Humble and Mrs. Gilmore in the air race. Bud Wessel of Wessel's Surburia in Sierra Madre has also presented the flying duo with flying clothes.

Mrs. Humble's and Mrs. Gilmore's husbands are enthusiastic pilots.

## Night Parking Permits Are Now Available

July 1 marks the period for renewal of all-night parking permits and Police Chief Gordon G. McMillan urges those desiring such permits make application immediately.

Ordinance CC-5275 authorizes parking for 30 minutes only between the hours of 2 and 4 a.m., but prohibits all-night parking. However, permits will be issued in hardship cases where no parking facilities are available. Permits for the latter, good for six months, are issued twice a year. Applications must be made at the Police Department.

## Lee Shippey Writes On Smoking

The Court of Common Sense will now come to order in the case of Smoking Versus the People, or Vice Versa.

The defense stipulates that none of us would be smokers if we had the sense we were born with. Proof of that is the fact that none of us took up smoking while we were born with, and most of us not until we were old enough to read advertisements or understand alluring commercials.

Even then, as most of us can well remember, our first smokes either made us feel so ill or so queasy that we had to demonstrate heroic perseverance in order to acquire the habit.

**OFTEN** it required much courage and strength of character to keep smiling and pretend we enjoyed smoking, proving the grand old adage we try to impress on every youngster, where there's a will there's a way.

We may not have proved it in a lot of other ways, but the completeness with which we have proved it in regard to smoking shows that even the weakest of us has a lot more will power and determination than some persons give us credit for.

**EVEN SO**, it is remarkable that despite all the warnings of physicians and repeated warnings of Readers Digest, most of us who have taken the weed to our hearts

SIERRA MADRE Community Hospital receives gifts of value and moment as recounted in accompanying article. Pictured on the hospital steps are Mrs. William Meek and also Mrs. Edward W. Beutler of the Woman's Club; Dr. James P. Comerford, chief of the hospital's medical staff, and Lester K. Layton, president of the Hospital Foundation.

## Foundation Benefitted . . .

## Gifts Of Equipment, Check For Hospital

At a presentation ceremony held Monday, June 26, at the hospital, Lester K. Layton, president of the Sierra Madre Community Hospital Foundation, accepted on behalf of the Board of Trustees equipment donated by various organizations and individuals.

The Sierra Madre Woman's Club, represented by Mrs. Edward W. Beutler, immediate past president, and Mrs. William B. Meek, immediate past chairman of the club's philanthropy committee, presented a resuscitator on behalf of the organization.

This equipment is for use in the nursery in the hospital and is designed to assist new-born babies who have breathing difficulties.

This was the first organizational gift received by the newly formed Foundation and was presented by the Woman's Club as the result of the work of the officers and members of the 1960-1961 administration with Mrs. Edward W. Beutler as president and Mrs. William B. Meek as philanthropy committee chairman.

**DR. LOIS V. GROTH**, of Pasadena, presented the hospital with a sigmoidoscope, a set of examining equipment, that will be used by the members of the medical staff in diagnostic work.

The equipment will be made available to all members of the medical staff for use in the hospital as well as in their private offices. The sigmoidoscope was the first personal donation received by the newly formed hospital organization.

James P. Comerford, M.D., chief of the hospital's medical staff, and a member of

the Board of Trustees, presented a check for \$800 authorized by the executive committee of the medical staff to be donated out of medical staff funds for purchase of a new \$1,600 operating room light to be installed in one of the surgical suites.

The rapid advancement that has been made in the field of surgical lighting has rendered practically obsolete the lighting that was newly installed in the surgery when the hospital was opened four years ago.

**MR. LAYTON**, in accepting the gifts in behalf of the Board of Trustees of the Sierra Madre Community Hospital Foundation, said that the interest shown by the individuals and organizations in presenting the gifts to the hospital was an expression of the finest community spirit.

This is especially gratifying in view of the fact that the Foundation is not quite six months old.

He further said that the continuing assistance of individuals and organizations is most welcome by the Board of Trustees in its endeavor to provide the citizens of Sierra Madre and surrounding communities with the best possible hospital facilities at the least possible cost.

## Baseball Field Is Flooded

Juvenile delinquency presented an ugly face to Sierra Madre authorities over the July 4th weekend, one compound with extensive damage and serious thought.

Young vandals, apparently late Saturday or early Sunday, invaded Sierra Vista Park, creating havoc in the new concession rest room and on the Heasley Baseball Field adjoining.

Police Officer Clyde J. King who discovered the depredation, listed the damage as follows:

**DISCONNECTION** hose connection permitting hundreds of gallons of water, now more precious than ever because of the extra-dry season, to flood the home plate area on the baseball field, and on west side of spectators grounds.

Back screen of food concession building ripped off. Damage inflicted to rest room walls on which obscene language was written.

Door knob to ladies rest room entrance wrenched off. Walls there also marked obscenely.

Wastpaper baskets dumped on floor. Paper and towels stuffed into toilets stopping them completely. Similar damage inflicted in men's room.

**POLICE SEEKING** the culprits characterize the job as one "malicious mischief."

The damage, including loss of water, will run into several hundred dollars.

## Hey, Grandpa! This'll Be Fun

The Sierra Madre City employees will match their baseball talents, against the managers and coaches of Little League this Saturday, at Heasley Field, when they meet for their big game.

Bert Enbree, fire marshal, is busy putting the boys at City Hall through their drills while Bill Treder, manager of the Dodgers, gets the pros in shape after a two-week rest. Game to start at 9 a.m. July 8.

## Babe Ruth Sked Altered

The Sierra Madre Babe Ruth League will begin this week to play their games during the week instead of the weekends at Sierra Mesa School Field, 5:30 p.m., game time.

On Thursday, July 6, the Senators vs. the Giants; Friday, the Senators vs. Cardinals; and on Saturday the White Sox play the Giants, due to games not played during the past holiday weekend.

**THE FOOTHILL** Hollywood Bowl Committee is offering "La Boheme" as their third community night program this year. Lead will be taken

by Dorothy Kirsten. Imagine, if you can, an immense barren attic along the banks of the Left Bank in Paris. Here live an inseparable quartet, Rudolph, a poet; Marcel, a painter; Coline, a philosopher, and Schanard, a musician. Four young men starving for their talents.

The entire opera is staged in and around the attic, a students' cafe, and gates of the city.

Picture poor Mimi, who makes artificial flowers, slowly dying of consumption,

and who becomes befriended and loved by the poetic Rudolph.

**THE LOVES** and strifes of this quartet is portrayed throughout the entire opera, with the final death scene of Mimi as a crashing and poignant climax. Puccini made the Left Bank live with this incomparable story. He made it live even as it lives today.

The program will be played on Thursday, July 27. The \$1.50 seats will be the same as the better seats on this particular night.

## Mrs. Meek's Home Locale For Tea Conducted For Community Hospital Group

Mrs. William B. Meek's lovely home at 3775 Shadow Grove Rd., in the Lower Hastings Ranch area of Pasadena, was tastefully decorated in pink and white for a tea served to some 55 ladies of the community who gathered Thursday afternoon, June 29, at 2 o'clock.

Besides Mrs. Meek, who so graciously opened her home for the occasion, Mrs. E. W. Beutler, Mrs. Howard Chapman, Mrs. Charles M. Ferguson, Mrs. Robert E. Somers and Mrs. Randolph Wood acted as co-hostesses. Mrs. Henry Wade Sr., president of the Women's Club of Sierra Madre, and Mrs. G. Norman Kennedy, president of the Civic Club of Sierra Madre, poured at the tea table.

THE OCCASION was sponsored by the steering committee of the Sierra Madre Community Hospital Auxiliary to hear Neville E. Ross, administrator, explain the hospital's need for an auxiliary.

Mr. Ross told the women that while the hospital could provide excellent medical care for patients in the hospital, the auxiliary was needed to provide the personal care that was sometimes missed. He advised that this would carry out the wishes of the Board of Trustees who desired that the citizens of Sierra Madre and surrounding communities be provided with the best possible pa-

tient care at the least possible cost while in the hospital. He requested that the women present furnish the steering committee with additional names of interested individuals to attend an organizational meeting of the auxiliary to be held in the next few weeks.

Widespread attention by art lovers and by patrons of the Home Savings Bank branch at 301 E. Colorado, Pasadena, is being given the special exhibit of pastels created by Mrs. Ruth Thurber of 470 Manzanita, Sierra Madre.

Mrs. Thurber is the wife of Col. Walter D. Thurber, widely known in Sierra Madre civic and club activities. Her 13-painting exhibit hung on the bank walls follows several others in this area, including seven scenes dealing with Palm Springs, the Lucerne Valley, Salton Sea and the Mojave River; three seascapes in Maine, where Col. and Mrs. Thurber formerly resided, and three others.

RUSSELL E. DENNEY of 165 N. Sunnyside, Sierra Madre, manager of the Home Savings branch in Pasadena, reports Mrs. Thurber's paintings are invoking widespread praise and inquiries.

It was only a short time ago that Mrs. Thurber took up pastel painting, a field in which she has made remarkable progress to the point where her work has an almost completely professional touch.

Charming Pat Norris took her four youngsters to Point Fermin on July 4 to watch their father set sail on his third Trans-Pacific Yacht Race to Honolulu. He is aboard Larry Doherty's 75-foot ketch, the "Kamalii," a really elegant yacht which should place well among early arrivals. Incidentally, John is weather chairman of the Trans-Pacific Race Committee. Pat will jet to Hawaii to join him about July 14.

**MR. AND MRS. JAMES GLAVAS** have returned from a month's tour of Europe. Mr. Glavas reports they found Europeans most sympathetic to Americans who can't speak their languages. Accommodations are improving everywhere and they have not spoiled that Old World atmosphere, which the Glavas enjoyed immensely.

At the breakfast table, scrambled eggs can really hit the spot. Scrambled financial affairs, though, are something else again. That's why it is usually best to make a sharp distinction between money you *invest* and money you want to *save*—the money you want to have immediately available under all circumstances. Put your investments wherever you think they will earn the best return. But keep your *savings* where you know they will always be accessible—in the bank.

## \$100,000 Is Derby Purse At Hollywood

Topped by the invading twosome of Sherluck and Guadalcanal, the one-three horses of the \$148,650 Belmont Stakes, third gem of the Trifecta Crown for 3-year-olds, the \$100,000 added Hollywood Derby will have its 21st running and probably its most thrilling renewal in history at Hollywood Park next Saturday.

On hand, among other Western stars to challenge the invaders is Four-and Twenty, the Alberta Ranches colorbearer who so easily distanced his field in the recent mile and one-eighth Cinema Handicap, a race that many times in the past has pointed out the winner of the

mile and one-quarter Derby. **FIVE HORSES** have parlayed the Cinema into a Derby conquest—the great filly Honeymoon in 1946, Yankee Valor in 1947, Pedigree in 1949, A Gleam in 1952 and the money-winning king of all time, Round Table, in 1957.

Because of his six-length victory in the Blue Grass stakes and the two and one-half length win he posted in the Belmont Stakes at one and one-half miles, Jacob Sher's Sherluck is the better known of the two eastern colts who flew to Hollywood Park from New York this week especially for the Hollywood Derby.

Sherluck is a son of Correspondent, the California-bred who won the 1954

\$162,000 Hollywood Gold Cup. After his galloping win in the Blue Grass, Sherluck was out of the money behind Carry Back in both the Kentucky Derby and Preakness, but he came into his own in the Belmont.

**GUADALCANAL**, a Citation colt owned by Mrs. Robert Dotter and trained by her husband, ex-jockey Bobby Dotter, has been raced light-

ly this year and appeared in none of the sophomore classics until the Belmont. Previously he had won an overnight race at a flat mile at Aqueduct.

Dotter believes that Guadalcanal is the best colt ever sired by the mighty Citation, also a one-time Hollywood Gold Cup winner, and that the ten-furlong distance of the Hollywood Derby will be exactly to his liking.

## 2nd Concert

## Makes 'Em Mad!

Read an ad in the newspaper which said, "We prefer men who have a little life in them—who want to live again. Come to see us and we'll show you how to start living on \$195 a week!" Now this is the kind of stuff that makes the old-age pension promoters as mad as a hornet. If this ad is true, it'll deprive them of a livelihood.

# Phillips Asks Firmness on Berlin, Cuba

A nationally-known authority on foreign affairs, Draper W. Phillips of 528 San Gabriel Blvd., Sierra Madre, is in Washington, D.C., this week serving as moderator of the Defense Strategy Seminar of the National War College at Ft. McNair, July 9-22.

In private life a trial attorney for the Anti-Trust Division of the Department of Justice in Los Angeles, Mr. Phillips is a Naval Reserve commander. He writes for foreign affairs editorials for the Saturday Evening Post and has spoken before the Commonwealth Club in San Francisco, Town Hall and the Institute of World Affairs.

Phillips believes that Senator Mike Mansfield's plan to make Berlin "a free city," if carried out, would rank with Munich and Yalta as betrayals by the Kennedy Administration.

HE ALSO BELIEVES that unless we move quickly to take joint action on Cuba with the other Latin American countries, it will require a full-scale war to oust a well-armed Castro regime, backed by Moscow.

"Kruschev is most anxious to get Western recognition of the People's Republic of East Germany and to at least neutralize our stand in Berlin by establishing a 'free city' on the order of pre-World War II Danzig," he commented. "He could then develop a Communist state in East Germany free of interference."

"Unfortunately, many influential Liberals, such as Walter Lippman, think that the division of Germany is an accomplished fact and that we should recognize it. The view was strengthened by permitting representatives

of the East German government to participate in the recent Foreign Ministers' Conference at Geneva.

"WHY SHOULD WE help to stabilize the enforced Communist status of East Germany? It could not exist even for one day without the presence of the Red Army. Secretary of State John Foster Dulles said of the Soviet offers of co-existence, 'In Berlin the two systems exist side by side, and the demonstration of freedom (by the West) is so much better that the Soviets find it almost intolerable to accept.'"

Regarding the Cuban situation, Phillips remarked: "It is better to take joint action with the other Latin American countries to crush Communist aggression in Cuba. But unless they agree to move soon, we must take virile action under the Monroe Doctrine."

"IF WE ARE GOING to accept peaceful coexistence for any purpose, we must accept it under the Soviet meaning—a full scale conflict waged with the same intensity as if it were military, with no sanctuary given to the Soviets."

"Castro has admitted the Communist nature of his government and that he looks to Moscow for military aid and direction."

"For more than a year Moscow has trained agents in Havana for subversive activities in Latin America. Unless we move quickly it will require a full-scale war to oust a well-armed Castro regime."

Mrs. L. K. Bannister  
(Christina Louise Crawford)

### Lovely Candlelight Service Marks Christina Crawford's Wedding to L. K. Bannister

In a lovely candlelight service, Christina Louise Crawford, daughter of the C. Thomas Crawfords of 1360 Sierra Madre Villa Ave., Hastings Ranch (Pasadena), and L. Kenneth Bannister, son of the Lee Bannisters of Altadena, were married on June 24 in the Bethany Lutheran Church, by the Rev. Neils C. Carlson.

The bride, who was given in marriage by her father, chose a William Cahill gown of Alencon lace adorned with sequins and pearls. Her crown was also of lace, sequins and pearls. She carried a cascade of phalenopsis, orchids, stephanotis and ivy.

FOR THE BLUE and white wedding the bride's attendants were Janet Phetteplace, maid of honor; Carol Crawford Thompson, matron of honor; Candace Crawford, Sharon Heaton, Lauralee Streiter and Vita Sedlenicks, bridesmaids, wearing shades of blue taffeta gowns with matching headpieces of blue net and taffeta.

They carried puffs of white Ester Reed daisies held by a white reed chain. Cathryn Anne Crawford was the junior attendant in blue and white embroidered organdy and carrying a nosegay of white Ester Reed daisies.

Don Bannister was his brother's best man and Gary Lipking, Wayne Perry, Les Bennett, Don Wohler and Bob Caruba were the ushers.

THE BRIDE'S mother wore a sheath dress of imported blue silk brocade with matching blue accessories and

are more loyal to it than to anything else, including even our most solemn New Year's resolves—and loyalty certainly is one of the grandest of human virtues.

Of course, we may rationalize that by pointing out that most of the doctors who warn us against smoking

keep right on smoking themselves, and so, one suspects, do some of the editors of Readers Digest.

But in view of the seriousness of some of the warnings from scientists who should know, it appears that many of us are determined to be loyal even unto death.

WE CAN BE inspired by the 106-year-old who started smoking at age 6 and still

enjoys it, while we ignore the fact that we can refer to only one such case per million, while most of us have known several stalwart smokers who died from lung cancer in middle age.

And, if someone points that out, we are ready to wager that the centenarian would have missed a lot of fun if he hadn't had the companionship of Lady Nicotine, often the only comforter one

in his second century can count on.

SO THE DEFENSE submits, Your Honor, that many of us fail adequately to appreciate the staunch character-building attributes of smoking. Loyalty, courage in the face of danger, will power and perseverance are grand things—and smoking is the only thing for which

some of us develop them. The defense rests.

## Sharpen the Pruning Hooks

Sierra Madre is a city of small business.  
Hence any tax increase, no matter small, will prove more  
than the ordinary burden on business, as well as on other  
taxpayers, for taxation these days is especially burdensome.  
Undoubtedly, a tax increase here can be considered  
necessary in view of the city's financial condition. That  
it could be small is comforting.  
But steps should be taken now to prevent similar tax  
boosts in the future. Utilizing all of the sales tax receipts  
for capital improvements uses is not the best policy in  
the world.  
The city has a seven-year program for capital im-  
provements.  
It also has a proposal from the Library Board for  
\$100,000 in improvements.

THIS NEWSPAPER believes that for the present monies  
allotted for recreation purposes should be reduced materially.  
Recreation is important, but the city's credit and expense  
are more important.

It believes that the entire library request should be  
put to one side, except for the \$15,500 allotted for air-  
conditioning.

There is a topheaviness in the engineering setup,  
especially in inspection that could be cut down with a  
saying to the city.

We do believe that provisions should be made in the  
budget to a suitable increase in pay for members of the  
Police Department, now the lowest paid in the county.

Council, in considering the budget, should sharpen its  
pruning hooks and go to it. No city can afford to live  
beyond its means.

## Knight's Strength Grows

There are twice as many registered Democratic voters  
in California than Republican.

Logically, therefore, a Republican running for Governor  
must poll a sizeable percentage of these Democratic votes,  
else he cannot be elected.

Who then is today's public figure among the Republi-  
cans who can best capture this Democratic vote necessary  
if the party is to defeat Governor Edmund G. Brown in 1962  
and recapture the Governmental Chair in the Capitol at  
Sacramento?

The California or Field Poll, as it is best known, reports  
that former Governor Goodwin J. Knight currently com-  
mands 32 per cent of the state's Democratic vote; Nixon  
holds 29 per cent and Christopher and Knowland each  
hold 24 per cent.

In the statewide Field poll, Knight now leads Brown  
44 to 37 per cent for Governor.

WHAT IS the answer to all this?

The answer is, of course, that former Governor Knight  
is the Republican's best-fitted candidate for Governor and  
that, if the election were tomorrow, he would defeat Brown  
handily.

## Governor Should Act To Stop Teens Getting 'Dope'

The report of Governor's study commission that more  
and more teenagers in the past year have started using  
easily-obtained barbiturates and other stimulating drugs—  
the so-called "bennies" and others—is not at all surprising.

This has been common knowledge—indeed, there have  
been persistent reports that "pick-up pills" have been  
peddled to high school youngsters in this area.

Some of the drugs sold youngsters in Southern Cali-  
fornia are as harmful as heroin, according to the report.

One method is to take a box of ordinarily harmless pills,  
extract three or four of the latter from the box, replacing  
them with the "dope pills," and then sell the box to the  
teenagers at "a nice price."

THE COMMISSION'S report that "at the present rate,  
the number of dangerous drug arrests in 1961 in the Los  
Angeles area will be more than double those in 1960," is  
something that should stir action, especially at Sacramento.  
So, too, is the provision in the report that during the past  
six months Los Angeles juvenile officers have arrested  
more youngsters for violating the drug laws than for mari-  
juana and heroin arrests combined.

The commission says that the only way to stop this  
traffic which is making drug addicts of a lot of young  
Americans, is to stiffen both Federal and state laws.

Governor Edmund G. Brown and the California Legis-  
lature had the opportunity to really stiffen the state drug  
laws at the last Legislative session.

They muffed it and Governor Brown accepted a much-  
watered down drug law that lacks the power, punch—  
and penalties.

MAYBE THE REPORT of his own Governor's Study  
Commission will stir him to action.

It should!  
It is always possible for the Governor to call a special  
session of the Legislature. In this instance when the lives  
of thousands of the states teenagers are at stake, it would  
be worth his while to do so. Or is he too busy "playing  
politics" to give heed to the plight of the state's youth  
endangered by the avaricious, growing gang of drug-  
peddlers eager to reap their harvest of illegitimate, dis-  
honest dollars?

## Gov. Brown Plans To Live 'Awhile' In L.A.

By Henry C. MacArthur  
(Capitol News Service Special to  
the Sierra Madre News)  
SACRAMENTO. — If there  
were any doubts that Gov-  
ernor Edmund G. Brown in-  
tended to ask the voters to  
employ him in 1962 for an-  
other four-year term, his  
plans for this fall should  
dispel them.

The Governor, who under-  
went a campaign of more  
than a year when he was  
elected in 1958, doesn't care  
for another battle of that  
duration and has carefully  
refrained from making any  
official announcement of  
candidacy. In addition to  
the length of the campaign,  
of course, there are other  
practical reasons why it is  
best to be an unannounced  
candidate.

Once a candidate's hat is  
in the ring, every move he  
makes or statement he is-  
sues is considered a cam-  
paign statement. Trips and  
press agency thus must be  
financed with private rather  
than state funds. In ad-  
dition, a candidate always  
is subject to demands for  
equal time from other candi-  
dates as for television or  
radio appearances.

BUT THE GOVERNOR is  
moving ahead with his plans.  
His move, in fact, will take  
him to Los Angeles where  
he plans to live for an in-  
definite period. Brown's move  
to Los Angeles probably will  
be in September. He prob-  
ably will return to the State  
Capitol a day or two a week  
for a press conference and  
to handle such other busi-  
ness as cannot be taken care  
of by his staff or from his  
Los Angeles office.

The reason Governor Brown  
wants to spend some time  
Modesto, arrived last week  
for a visit at the home of  
W. S. Andrews. Miss An-  
drews will spend the sum-  
mer here.

Men to be inducted from Si-

estate at Grand View and

plans for a new home which  
they hope to construct early  
in the fall.

Sanford Ullman announces  
that no excuses whatsoever  
will be accepted for absence  
from duties of the Sierra Ma-

also says that there are a  
few openings left for new  
recruits.

Formal dedication of the  
Sierra Madre Community  
Nursery School's new build-  
ing at 701 E. Sierra Madre

day afternoon. Open house  
and a program from 3 to 5  
o'clock will mark dedication  
of the building to the city.  
Harold Bartel, president of  
the association, and George  
Parr, president in 1949 when  
the building was started,  
will be spokesmen for the  
Nursery School group. Ac-  
cepting the building will be  
Mayor William A. Kinney  
and former Mayor J. M.  
Steinberger.

5 YEARS AGO THIS  
WEEK, July 7, 1955—Sierra  
Madre's only public works  
plunge, which began its 1955  
season Friday, is attracting  
new interest this summer,  
not only because of an in-  
creased population that de-  
mands convenient aquatic  
recreation but because at the  
pool, including environmen-  
tal improvements, there will  
be swimming instructor  
courses arranged this year  
by Harold Teems, who has  
had previous experience at  
the canyon pool when he  
was head man there in 1951.  
52. The water safety courses  
will combine fun with in-  
struction.

in Southern California is  
quite simple — that's where  
the voters are. He has dif-  
ficulty in reaching those  
southern voters from his  
headquarters in Sacramento.  
It is expected that the Gov-  
ernor will take to the tele-

DURING HIS RECENT "re-  
port to the people" for in-  
stance, he took advantage of  
a joint press-television-radio  
conference in Los Angeles to  
soundly criticize the Los An-  
geles Times for reports it had  
made of the Legislature —  
reports which differed con-  
siderably from the one he  
traveled the state to make.  
If Brown is in the Los An-  
geles area on a permanent

basis, the opportunity to an-  
swer criticism via video  
should be much better than  
in Sacramento.

There's more than a little  
likelihood that Brown may  
be basing some of his strate-  
gy on the record of the  
recent mayor's election in  
Los Angeles. Sam Yorty, for-  
mer Congressman and legis-  
lator, won over veteran in-  
cumbent Norris Poulson  
against what had appeared

to be overwhelming odds. It  
was accomplished by taking  
the campaign to the people,  
with or without newspaper  
support.

THERE WILL BE those who  
will criticize Brown for mov-  
ing his headquarters to Los  
Angeles, even if it is just  
for the "several months" he  
has indicated. They will feel  
can and probably will coun-  
ter with the argument that  
he needs to spend time where  
the bulk of the population  
lives in order to become more  
acquainted with their needs  
and problems.

## 'Humanitarian Fighters' Evoke Praise From Sierra Madre's Rabbi C. W. Steckel

"Humanitarian fighters" are the world's unsung heroes, according to Rabbi Charles W. Steckel of Temple Beth Israel and spiritual adviser to the Foothill Jewish Community Center, 212 N. Lima St., Sierra Madre.

The men and women who ignore personal safety to save the lives of others occupy a first-hand niche in the thoughts of this one-time Hungarian refugee and his busy wife, Ilana, who in the years of residence here have won a wide circle of earnestly admiring friends and supporters.

Top spot on Dr. Steckel's list of unsung heroes are the Swedish Red Cross workers with whom he was associated in Budapest during World War II. He recalls vividly how they defied threats from pro-Nazi gangs to save thousands of persons from concentration camps.

"War goes deeper than bombings, strafings and atrocities," Rabbi Steckel comments in an interview which appeared in the Los Angeles Examiner. "In the midst of barbarism, a spark of humanity arises, proving there is hope."

Dr. Steckel has wide per-

sonal knowledge, too, of the peace-time "humanitarian fighting." For more than 10 years he has been adviser and chaplain at the City of Hope, Duarte, where the battle is to save lives from disease.

This medical center work is in addition to his duties as rabbi of Temple Beth Israel, Foothill Jewish Community Center, Sierra Madre. Among the honors he treasures is the Torch of Hope Award from the City of Hope.

**RABBI STECKEL** and his wife, Ilana, have led eventful lives. She, like her husband, served with the Red Cross in wartime Hungary. Her personal concern was saving the lives of orphaned children.

He was born in Poland, she in Hungary. Each speaks several languages—he has nine at his command.

He studied in Cracow, Vienna and Breslau, receiving his rabbinic diploma from the Jewish Theological Seminary in Budapest and the University of Stockholm.

**BEFORE HIS** wartime services in Hungary, he occupied a pulpit in Yugoslavia. They came to the United States in 1948.

Keenly interested in the influence of Judaism on world literature, Dr. Steckel has written a number of books and dissertations on that subject—naturally in several languages.

In Southern California, Rabbi Steckel has continued to play a wide role in religious and community af-

fairs.

In his own area, he has served as chairman of the Ministerial Association, made up of ministers of various denominations in the Sierra Madre and adjacent region.

He is a member of the national Rabbinical Assembly of America and a former vice president of the Pacific Southwest Region of that assembly. He is also a member of the Rabbinical Court, the Beth Din, in Los Angeles.

## Dr. Barnhart Will Talk On 'Life Riches'

"Discover Life's Riches" is the sermon-topic of Dr. Ethel Barnhart, minister of the Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia, at the 10 o'clock worship service July 9. Jesus taught a way of "abundant living." Embodied within the understanding and application of His teaching is the Kingdom of Heaven. It is within the individual may find all of life's riches available to him. This will be the theme of Dr. Barnhart's lesson-sermon.

Children from pre-school through 8th grade meet at 10 a.m., every Sunday morning. Two youth groups, high school age and one for young adults from 17 through 21 meet at 7:30 p.m.

Regular Wednesday morning healing meeting, held at 10:30 a.m., is conducted by Rev. Rosalie Fowler. There is prayer for specific requests.

**ENROLLMENT** is still open for a 4-week tutorial class, which is being presented by Dr. William R. Parker, of Redlands University.

This "Human Relations Seminar" will meet every Wednesday evening from 7:30 to 9 o'clock, July 12 through Aug. 2. Dr. Parker is widely known for his work in the field of scientific prayer and human relations. He has helped thousands to meet everyday living victoriously. For further information call HI. 6-8206.

The Santa Anita Church Day School, a public school meeting all the requirements of the California State Department of Education and going beyond, is now taking enrollments for the fall term—school year 1961-62. This school, located at 226 W. Colorado Blvd., offers your child the finest in academic, cultural, and spiritual training with the focus upon individual creativity. Please enroll early as the classes, which include first through sixth grades, are limited. Applications for enrollment will be mailed to you. Call HI. 6-8206. ## 'Booster Or Booster' Is Hesse Theme

"Booster or a Booster" will be the Sunday morning sermon theme at Faith Lutheran Church, 835 Hastings Ranch Dr., at both 9 and 10:30 o'clock worship services.

The sermon scripture will be taken from the fourth chapter of the book of Daniel. In presenting this theme, Rev. Armin Hesse points out that "King Nebuchadnezzar of Babylon boasted of his totalitarian kingdom. But in his case we see how the Lord God despises and can humiliate the proud and self-reliant."

"As a change in one letter can give a word an altogether different meaning, so the presence of the Christian faith produces a remarkable change of attitude and character in a person. We see this change in Daniel, a booster for his Lord."

**"HOW BOTH** Nebuchadnezzar and Daniel fared is important to all citizens of our country today because the record outlines a prospectus of our future."

The sacrament of Holy Communion will be celebrated in the 10:30 worship service. The Sunday School and Bible Class sessions will be held from 9:45 to 10:20, immediately following the 9 a.m. Sunday School Parent-Pupil service.

## Bar Mitzvah For Larry Mishuck

Larry Mishuck, son of Dr. and Mrs. Mishuck of Arcadia, will become Bar Mitzvah on Saturday, July 8, 9:30 a.m., at the Foothill Jewish Community Center, 212 N. Lima St., Sierra Madre.

Dr. Charles W. Steckel, spiritual leader of the Temple Center, will deliver the charge. Rabbi Steckel's topic will be "Tithes." Prayers will be chanted by Cantor Solomon Edelman.

## New Methodist Minister And Wife To Be Greeted At Reception Friday, July 14

A reception honoring the new pastor of the Sierra Madre Methodist Church, Rev. Clinton W. Swengel, his wife, Mary; junior high school daughter, Melissa, and other members of his family, is being planned for Friday evening, July 14, at 7:30 o'clock on Parish House terrace. The Woman's Society of Christian Service is sponsoring the welcoming party.

The Swengels have been in Yuma, Ariz., the past three years where he was pastor of the First Methodist Church, after having come into the Southern California—Arizona Conference from Ohio five years ago.

Rev. Swengel grew up in Nebraska and was graduated from Nebraska Wesleyan University "magna cum laude"; also from Boston University School of Theology; and took three additional years in Drew University in New York City.

**HE SERVED** four years as Wesley Foundation pastor at Ohio State University in Columbus, O., and then several churches in the Ohio Conference, last of which was Grace Church in Washington Court House, Ohio. Rev. Swengel for 12 years was the Ohio Conference Youth Director while serving as pastor of a church, and is widely known as a counselor in family and marriage problems.

At present he is a member of the Southern California—Arizona Conference Board of Missions. His hobbies are bowling, history and music.

Mrs. Swengel grew up in Columbus where she was graduated from the School For Girls and Ohio State University. The Swengels have been married 28 years and have four children: Peter who is employed by the Bond Clothing Company in Anaheim; John, a student

## 'New Life' Hansen Topic

"Live the New Life" will be the sermon topic of Rev. Ray E. Hansen at 10:10 a.m. Sunday, July 9, at Shepherd of the Hills Lutheran church, 33 E. Sierra Madre Blvd., Sierra Madre.

The difference that Christianity makes in the life of any person is exactly what the individual needs to cope with the strains and strains in today's world," the pastor will say.

"Christ knows that He is talking about when He encourages us to begin a new life."

Sunday School will continue through the summer at 9 a.m.

## '7-Up Club' Has Outing

The second activity for the summer for the Bethany Church "Seven-Up Club" took place last Tuesday, June 27, when about 60 of the church's young people journeyed to Huntington State Park Beach.

The group, led by Ernie Richter, assisted by Larry Fuller, traveled on an Embree bus driven by Ron Cheroske, leaving about 6:30 p.m. and returning later in the evening.

This group, ranging in ages from grade "seven-up" through high school, have a summer's program before them.

Richter announces that a swimming party will take place in the near future and all young people of this age group are invited, as well as young people out of high school if they wish to join them.

## Swengel To Preach Here Next Sunday

Rev. Clinton W. Swengel will officially take over the pulpit of the Sierra Madre Methodist Church Sunday, July 9, succeeding Rev. Clinton C. McPheeters, newly appointed district superintendent of Tucson, Arizona, District.

Rev. Swengel's subject for his first sermon will be "I Am Persuaded." Morning worship service is held at 9:30 a.m. during the summer months.

Rev. Swengel comes to the Methodist Church of Sierra Madre with his wife Mary, and daughter Melissa, from Yuma, Ariz., where he has for the past 3 years served as pastor of the First Methodist Church. He was also formerly with the Ohio Methodist Conference.

## First Work Is Started On Bethany Church's New Christian Education Setup

First step in construction of the new Christian Education Building at Bethany Church occurred last Thursday as Fred Richter, excavating contractor, demolished and removed the existing structure and prepared the ground for the new building.

Don MacDonald, building committee chairman, announces that further meetings will be held soon with Norman Toombs, general contractor who has been retained for the job.

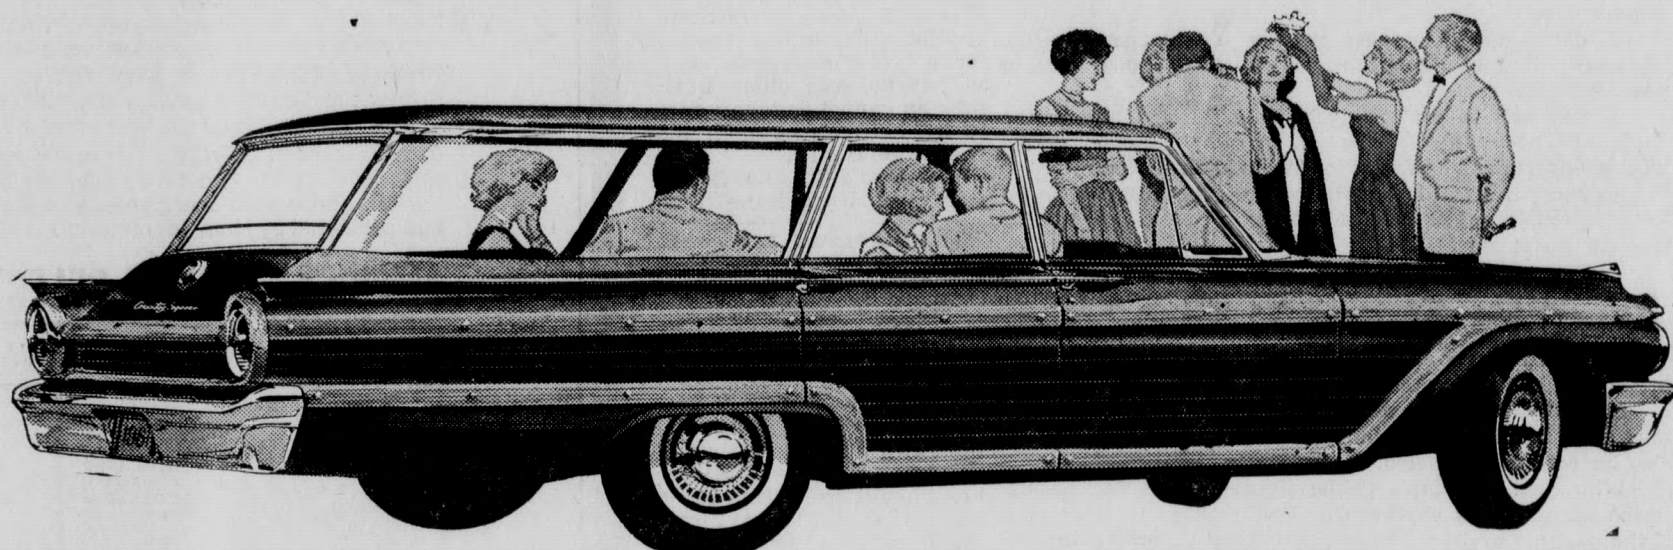

The 7,400 square feet, two-story frame and stucco structure will house six departments and will accommodate 200-250 pupils.

Dr. Robert N. Schaper, Bethany pastor, and the Building Committee, have been conferring with Dave Harwell of West Covina on certain modifications and changes in the plans which Mr. Harwell presented.

Bids on some of the work have been received and the outlook for construction in the near future is good.

## ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES:

# No other wagon can match Ford's features (or popularity!)

There's a whole wagonload of reasons why more people are buying Ford wagons than any other make.

First, there's more room. Ford's extended load deck is the longest and widest in its field. The tailgate opening is seven inches wider than last year, too.

There's more convenience. You can have an electrically controlled roll-down rear window in any Ford wagon... it's standard in all Country Squires and 9-Passenger Country Sedans. In their field, only Ford wagons

have all seats facing forward.

There's more distinction. The Country Squire (shown above) is the one and only wagon in its field with body panels that look like mahogany, wear like steel.

There are more savings, too. Ford's Ranch Wagon is America's lowest-priced,\* full-size wagon. And like all Fords, every Ford wagon is built to be more service-free: goes 30,000 miles between chassis lubrications, 4,000 miles between oil changes, brakes ad-

just automatically, mufflers are made to last three times as long as ordinary mufflers, and the finish never needs waxing.

**STOP** putting off that station wagon you've always wanted. **SWAP** for a '61 Ford wagon now while your Ford Dealer's celebrating record-breaking sales. **SAVE** with the wagon America loves most... made by FORD... America's station wagon specialists for 32 years!

## \$400,000 In Purses At Pomona Fair

POMONA—Richest stakes program for thoroughbreds in its history is announced for the 14-day Los Angeles County Fair race meeting opening Sept. 15 in conjunction with the annual fair, with \$80,000 in added money events on tap.

In disclosing the details, Fair Manager Phil D. Shepherd revealed that total purse distribution for the short meeting again will exceed \$400,000, thus making it tops among the nation's many fairs which conduct horse racing.

Big race of the 1961 meeting once again will be the Pomona Handicap, carrying a purse of \$20,000 in added money, to be decided on closing day, Sept. 30. The Pomona, at the trying distance of a mile and one furlong, will see a new champion crowned this year, what with Twenty-one Guns, winner of the last two runnings of the event, now deceased.

**THE FAIR** will introduce a new stakes this year in the form of the California Thoroughbred Breeders' Association Marian Stakes, a \$7,500 added affair for 3-year-old fillies at a mile and one-sixteenth, to be offered opening day.

Still another change in the stakes format is the \$10,000 added C. B. Affler-

baugh Memorial Handicap at a mile and one-sixteenth, to be run Sept. 23. This distance affair, catering to stake horses, 3-year-olds and upward, formerly was known as the Los Angeles County Fair Handicap.

### Real Polite Thief

There was a certain air of noblesse oblige to a thief who stole a battery from the automobile of Gerald T. Von Aspen parked in front of his home at 520 Audubon Way. He took the new battery but left an old one in its place.

### Emerson Heads E. P. Rotary Club

Walter Emerson, manager of the Market Basket at Foothill and Rosemead, has assumed his new post as president of the East Pasadena Rotary Club.

Emerson, past president of the East Pasadena Business Association, is a native Montanan but a resident of this area for 26 years. He has a perfect attendance record with his Rotary Club for 16 years.

### Comdr. Sewall U.S. Naval War College Graduate

Among those who were graduated from the Naval War College at Newport, R.I., on June 14, was Navy Comdr. Richard M. Sewall, son of Mrs. Trula L. Sewall of 252½ E. Grand View, Sierra Madre. The ceremony was held in the Family Theater at the Newport Naval Base.

Each year, 400 outstanding military officers are chosen from the Army, Navy, Air Force and Marine Corps

to study at the Naval War College. It was established in 1884 to enable naval officers to study tactics and strategy of naval warfare and to prepare them for higher command. Today, it teaches members of all branches of service.
